To: RAP Commissioners <rap.commissioners@lacity.org>

Dear RAP Commissioners,

I'd like to take a look at any records, including but not limited to emails, that concern Selma Park in Hollywood from between September 1, 2015 and July 15, 2016. I'm expecting at least emails from daniel.halden@lacity.org and possibly some from the domains hollywoodbid.org and andrewsinternational.com. There may be others, though.

Thanks,

Adrian Riskin
